Descendants of Daniel Hand

Generation No. 1

1. DANIEL^{7} HAND *(NEHEMIAH^{6}, SAMUEL^{5}, STEPHEN^{4}, JOHN^{3}, JOHN^{2}, FNU^{1})* was born Abt. 1731, and died Bef. 07 Jun 1778 in <Bernard Town, Summerset, NJ>. He married MARY COLE Abt. 1753, daughter of WILLIAM COLE and ELIZABETH DENNIS. She was born 11 Jun 1731, and died 09 Jan 1831 in Butler Co., OH.

Notes for DANIEL HAND:
Witnesses to the will of Daniel Hand were William Coles (probably the brother of Daniel's wife Mary) and Henry and Mary (Cole) Line. The two Mary(s) are possibly cousins or an aunt-niece relationship. Henry (1747-1844) and Mary had children Amos, b: 21 Aug 1776, and Rachel, b: 26 Jan 1779. These siblings married Phebe Vail, b: 20 Apr 1783, and James Vail, b: 29 Aug 1772, children of David Vail and Phebe Vail Jackson. Some of these names were carried forward in the naming of offspring of Phoebe Hand and Ephraim Tucker. There are four chidren listed in the will (Benjamin, William, John and Phoebe) and one grandson (Samuel). Samuel's father is not shown because he probably died prior to the writing of the will on 1 Jan 1777 (probated on 7 Jun 1778 at Bernard Town, Summerset, NJ (Bernardville, Somerset, NJ)). The four children listed are not of age when the will is written, the oldest being about 13. The previously estimated birthdate of Daniel (1738) is probably closer to that of his wife (1731) in order for him to have fathered a son who grew to maturity, married and produced the Samuel listed as Daniel's grandson. Notes for MARY COLE:

i. SAMUEL^{9} HAND, b. Bef. 01 Jan 1777.

Notes for SAMUEL HAND:
Mentioned in grandfather Daniel's will written 1Jan 1777 to receive the "Plantation purchased of William and Nathanil Grey". Since Samuel's father is not named, and Daniel's listed chidren in the

will are not yet of age (the oldest is only about 13 yrs. old when the will is written), it may be concluded that he (the unknown father of Samuel) died prior to the writing of the will.

16. AMOS^{9} HAND *(JOHN^{8}, DANIEL^{7}, NEHEMIAH^{6}, SAMUEL^{5}, STEPHEN^{4}, JOHN^{3}, JOHN^{2}, FNU^{1})* died Aft. 1848 in <Effingham Co., IL>. He married MARY (POLLY) MCQUOID, daughter of JOHN MCQUOID and MARY MCINTYRE.

Notes for AMOS HAND:

From an early roster of Cincinnati and Hamilton Co., OH pioneer marriages: Amos Hand and Lumy Gour on 3 Aug 1817 by William J. Carson Esq. listed in the Liberty Hall Newspaper on 11 Aug1817.

There is listed in #3 INDIANA source book a marriage in Franklin Co. (right next to Union Co.) for Amos Hand and Polly S. Todd on 12/24/1822. He is shown on the 1820 Census for Franklin Co., IN as the head of household with a female listed in the same age range as himself and two females and one male in the 0 - 10 yr. age brackets. What was the name of his wife from the 1820 Census? Is she the Lumy Gour listed above. Is it a possibility that if the wife from the 1820 Census died and he remarried to Polly S. Todd in 1822 that she was a widow herself and her maiden name was McQuoid and her married name was Todd at that time. Other (reliable?) sources show the wife of Amos to be Mary (Polly) McQuoid (McCoyd). Polly seems to be an accepted nickname for Mary and was interchanged quite frequently during this time period. RWT

Notes for MARY (POLLY) MCQUOID:

Although there are only three children listed for John and Mary Jane (McIntyre) McQuoid in any info I was able to access (Agnes, John, & William) there is a high probability that Mary should be included. The dates and locations are well within proper range. John (1800-1863) McQuoid, who would then be her brother, acted as a witness along with Thomas Flint and James Stewart to the will of Mary's father-in-law, John Hand, on 9 Feb. 1827. It may be that Mary was a second wife to Amos Hand since there is the record of marriage for an Amos Hand and Polly S. Todd on 24 Dec. 1822 in Frankllin Co., IN. The only evidence for a marriage of Amos Hand and Mary or Polly McQuoid is contained within the Civil War papers of James Hand wherein it is stated that they are his parents. I have not personally seen these papers, but hope to attain a copy in the future for verification. RWT

Bio, Mary Polly Hand

From Father's will of 1819: (Father, William Hand)

"my land or real estate being the place whereon I now live to be equally divided between them, the said James, Benjamin, Samuel and John and to hold to them the said James, Benjamin, Samuel and John, their heirs and assigns forever all the land aforesaid under the following reserve. If my personal property should not be sufficient to pay to each of my three daughters, Sarah, Phebe, and Serepta $50 each, then and in that case my will is that the said James, Benjamin, Samuel and John shall equally pay one hundred and fifty dollars which I will and bequeath to be equally divided between my three daughters viz: To my daughter Sarah, $50, to my daughter Phebe, $50, to my daughter Serepta $50. I will and bequeath to my daughter Betsy, $2, I will and bequeath to my daughter MARY, $2. I will and bequeath to my daughter, Martha, $2, which is to be paid after the death of my beloved............".

……

Margaret Hawk's notes about Mary: (Thanks, Maggie for all your help!)

Birth date is estimated, per 1830 census. She was in her father's will, given a small bequest, which may indicate that she had received a previous settlement, perhaps when married. The names of her first five children and the two from her second marriage were found in the article in the Bellbrook Moon which described the circumstances of her marriage to Joseph Vandolah. She was known as "Polly"; probably was born in New Jersey. Her divorce petition from her second husband was filed on December 28, 1829 in Greene County, Ohio (abstracted in "Ohio Divorces:

The Early Years", by Carol W. Bell (1994) and alleged extreme cruelty, that he had beat her and threatened her life. She was granted custody of her two children, and her dower lands from her first marriage were restored to her. In December 1835 her children sold the land they inherited from their father and "included all their right in their mother's right of dower" (Greene Co. Deed Book 17, page 36). No burial record for Polly is found, but she was probably deceased before 1850.

……

Other information we know about Mary Polly Hand who married Joseph Vandolah:

From the biographical sketch of Joseph Vanoldah in the "Bellbrook Moon" of Bellbrook, Ohio, Collection of 1893.

"Mr. Hand (her father) owned the farm where Newton Berryhill and John Underwood now live. In a double log house. Mr. Hand's daughter was named Mary, called "Polly" for short.

Joseph Vandolah showed up at his door one evening and asked to stay overnight. Dressed in buckskin hunting shirt, homespun pantaloons, coonskin cap and barefooted and was carrying $200 silver dollars in a stocking leg.

Joseph was on his way to Cincinnati to enter the quarter section of land opposite where the Hands lived. Can be found on later plat maps as being the property of Matthew Berryhill.

Polly found Joseph quite attractive, whether it was Joseph or his $200, we cannot be sure, but they became engaged and planned to be married when he returned. When Joseph returned to be married, they hardly recognized him as he was all fixed up. So they were married and built their own log cabin on the land Joseph had purchased.

By the birthdates of the children the year of their marriage must have been about 1804, which would indicate that the Hand family was living in Greene County, Ohio, at that time. They had five children:
James, Joseph, William, Sarah and Benjamin. William died at about age 12. The rest came to Indiana.

Joseph died and to aid with her affairs, Mary Polly married William Whicker and she had two children by him, William and Stephen (both came to Allen Co., IN) She finally concluded that "a man was not always what they were cracked up to be". Eventually they divorced (about 1835). William Whicker was quite a bit older than Mary Polly.

……

An interesting marriage is noted from the DeKalb County, IN, Marriages in the year 1841.

GEORGE WASHINGTON HAND, Obituary

The death of George W. Hand, August 7, 1901, which occurred at his home in Eel River Township, Wednesday morning, removes from Allen County one of its oldest and best known citizens, who throughout his residence of 65 years in Eel River Township enjoyed to the fullest extent the confidence and esteem of all who knew him.

Mr. Hand had been in failing health for some months and his death was due to the infirmities of age. He was born in Greene County, Ohio, 82 years ago, and at the age of 17 came to Allen County in 1838, settling in Eel River Township upon the land which is now a part of the Hand homestead. Through the years of his long and vigorous life Mr. Hand was industrious, frugal and upright. He became well-to-do and occupied a prominent place in business, social and political circles.

Perhaps no other citizen of the county was more familiar with pioneer conditions as they existed 65 years ago, and with the growth and development of the county through the closing half of the century just ended. He was strong in character, lofty in principle and unfailingly honest. Early in life, Mr. Hand began taking an active interest in politics, and he became a recognized democratic leader. It is believed that to him belonged the distinction of having presided over more political gatherings than any other one resident of Allen County.

He was several years assessor of his township, and during several campaigns was chairman of the county democratic central committee. He also served as jury commissioner. But once did he enter the race for a county office, permitting his name to go before the democratic convention as a candidate for sheriff, but was defeated by Isaac Campbell by one vote. For many years Mr. Hand was the recognized leader of the Eel River township delegation in the democratic conventions.

During the pioneer days he was widely known as a trapper and as a successful deer hunter; in fact, there was no phase of the life of the early settler with which he was not fully familiar.

He was a member of the Huntertown Lodge of Masons, and was one of the best informed members of the Masonic fraternity. Mr. Hand's wife died 7 years ago, and he leaves 3 children and 13 grandchildren and 7 great-grandchildren. The children are William E. Hand and Mrs. Lucetta Golden, who reside in Eel River township, and Mrs. Jane Sickler, of Wessington Springs, South Dakota.

The funeral services were held from the Huntertown M. E. Church, Friday morning at 11 o'clock. Rev. McCall officiated.

WILLIAM ERICKSON HAND 1845-1916

Married in Allen County, Indiana, February 14, 1882 to ARMINDA MAE ESSEX, daughter of SARAH ELEANOR WAGONER (RENNECKER) and DAVID ORLANDO ESSEX. Arminda was born January 30, 1859 in Henry County, Ohio. Her mother, Sarah, was of German ancestry. Arminda attended the Methodist College in Fort Wayne and taught school in Eel River township. After her father's death, her mother married a STEPHEN WHICKER and they lived about a half mile west of the Hand farm. William farmed and at one time or the other owned land in 3 different sections, along with his father George W. The land was in Sections 24, 25, and 26 in Eel River township. William and Arminda had 8 children:

GEORGE WASHINGTON, born December 11, 1882, in Allen Co.
    Died January 12, 1964 in Park Ridge, Illinois
LUELLA MAY, born May 11, 1884 in Allen Co.
    Died October 23, 1978 in Allen Co.
JESSE VALENTINE, born August 19, 1888 in Allen Co.
    Died June 23, 1969 in Allen Co.
SARAH ELIZABETH, born July 21, 1890 in Allen Co.
    Died August 2, 1960 in Allen Co.
ZELPHA MARIE, born February 15, 1983 in Allen Co.
    Died March 29, 1979 in Allen Co.
GLADYS VELMA, born January 9, 1898 in Allen Co.
WILLIAM ERICKSON, born November 8, 1904 in Allen Co.
ALICE LUCILLE, born July 30, 1902 in Allen Co.
    Died September 5, 1981 in Jacksonville, Illinois

The Hand farm consisted of two sets of buildings. One was called back the lane and the other one was called up the road. Originally, the road went past the farm back the lane. When the early homesteaders built homes and roads they kept to the high and dry land. Allen county was mostly swamps and brush and was harboring about as many wolves and friendly Indians, along with plenty of deer, as there was settlers. One bear was reportedly seen by George W. He was an avid hunter and told of the time he shot a deer in the vicinity of the north border of the farm. There was a foot bridge across Eel River he had to cross to get home. He had field dressed the deer and the wolves had picked up the scent and were in pursuit of it. When he came to the foot bridge he heard the howl of a number of wolves and knew that he couldn't keep the deer and shoot all the wolves too. He dropped the deer and ran for home. The next morning he went back to the foot bridge and all that was left was a pile of bones. In those days the settlers had only muzzle loading guns and it took time to reload them. It was said that more Indians were shot with ram-rods than musket balls as sometimes the settlers had to shoot fast and didn't have time to put the ball in, so shot the rod.

MARY JANE HAND married JEFFERSON SICKLER about 1870. The Sicklers lived a half mile west of the Hand farm. In 1883 the Sicklers moved to South Dakota to take up land from the government. The land was near Wessington Springs. The retired in later years and moved to Santa Crus, California. The had 4 children and one of the children had a clothing store there. Jefferson died in 1917. One son was called Everett and a daughter Sarah, who later married a Jacobs. She lived in Seattle, Washington, in the 1930's. (added note about Jefferson Sickler. He was a cousin of the Fitch boys, sons of Nathaniel Fitch. Nathaniel's sister married Jacob Sickler in Wyoming County, PA, Nathaniel's boyhood home. His mother may have traveled west with them as she died in South Dakota, and was sent back to PA by train to be buried.)

Another version of Mary's story: MARY JANE HAND married JEFFERSON SICKLER about 1870. Their children were: CORA, GEORGE and SARAH. They lived in the house later occupied by the PERRY family, located west of the Anderson School on what was later known as the "Carroll" road in Eel River Township. In 1883 "Aunt Jane" and "Uncle Jeff" took up government land in South Dakota near Wassington Springs. Uncle Jeff was successful there, then retired and moved to Santa Cruz on the California coast south of San Francisco, owning a home on Branciforte Avenue. Uncle Jeff died in 1917. Later Aunt Jane sent money to Zelpha Hand, asking her niece to come and visit her. Zelpha did and stayed in California 4 years, part of which time she spent working in the Southern Pacific RR Office in San Francisco. Zelpha then returned to Indiana.

GEORGE WASHINGTON HAND 1882-1964

GEORGE WASHINGTON HAND was born December 11, 1882. After graduating from Fort Wayne High School, he attended Purdue University in West Lafayette, Indiana, studying Civil Engineering. Next he went to work for the Chicago and Northwestern Railroad Co., engineering department in Chicago. While there, he met and married ELLA TESSEN, whose father also worked for the C&NW. They lived in Chicago for a time, later moving to the suburbs Edison Park and finally to Park Ridge.

George became Chief Valuation Engineer, head of a department that railroads established to prepare detailed evaluations of all their properties in order to comply with a federal law passed in 1913 setting freight rates at a fixed percentage of the property value. The government established a bureau to conduct their own evaluations in order to be able to challenge the railroads' figures. George spent so much time in Washington D.C. attending discussions between railroad and government people, mostly lawyers, that he decided to study law in night school, graduating from the John Marshall Law School in Chicago. In the meantime he was promoted to Assistant-to-the-President of the C&NW Railroad. Incidentally, the railroads challenged the constitutionality of the 1913 law and made a test case of a small beltline railroad around St. Louis, Mo., the St. Louis & O'Fallon RR. Result: The law was declared unconstitutional by the U.S. Supreme Court in 1930 or 1931 and 15 or 17 years of work went out the window.

GEORGE and ELLA had 5 children:

MARJORIE, LUELLA, ROBERT, GEORGE, JR., and JAMES

GEORGE, SR. died in 1964.

LUELLA MAE HAND 1884-1978

LUELLA MAE HAND was born May 11, 1884. After high school in Fort Wayne, she attended Valparaiso University, Valparaiso, IN., to obtain a teacher's license. Then she taught for several years in Allen County, She married WALTER HURSH, also a teacher. In later years Walter became a rural mail carrier out of the Huntertown Post Office. They had 4 children:

GEORGE, who lived only a few months; CHARLES, FRANK, and Marie

When Walter Hursh retired, he and Luella went to Florida for the winter months. They maintained a mobile home at Palmetto, Florida, the year around but drove back to Indiana for the summers. They started their wintering in Florida in the early 1950's. After returning to their home near Huntertown in 1963, Walter became ill. He died in the Parkview Hospital, Fort Wayne, Indiana, in August 1863. Luella did not return to Florida after that. In 1970 she went to live with her sisters ZELPHA and GLADYS HAND at their home on South Harrison Street, Fort Wayne, Indiana, which their mother had bought and occupied in April 1920. Luella's doctor did not want her to live alone after cataract surgery. She lived with Zelpha and Gladys until taken to a nursing home on recommendation by her doctor following illness. Within a few days Luella died, in October 1878. She was 94 years old.

JESSE V. HAND

JESSIE V. HAND was born August 19, 1888, in Allen County. As a young man Jess played sandlot baseball with a team in the area where they lived. This was a temporary hobby. Jess was an extremely hard-working and successful farmer, first helping his father on the 320 acres home place (which included the part where grandfather GEORGE HAND had lived and built the large 9-room house, later occupied by WILLIAM and ARMINDA after grandfather Hand's death in August 1901. Grandmother Rebecca Elizabeth (Caine) Hand had died in 1894.) Later Jess had his own farm. He married MARY A. ROY. They had 5 children:

HELEN, who died in infancy
WILLIAM, KENNETH, RUTH and Betty [redacted]

MARY died August 6, 1960

JESS and MARY had a great love for beautiful flowers. After retiring and moving off the farm, Jesse had a great number of various flowers and plants including 100 different rosebushes. JESSE died June 23, 1969. He and Mary are buried in the Huntertown, Indiana, Cemetery.

SARAH ELIZABETH HAND 1890-1960

SARAH ELIZABETH HAND, born July 21, 1890, married HERBERT SAGE. Their children are:

WILLIAM ARTHUR, always called Arthur
GERALD, MABEL and RUSSELL
Another child died in infancy.

Herbert, Sarah and family resided on a farm in Allen County, IN. In addition to farming they raised fine Black Angus cattle. Herbert died May 23, 1955, age 67; his death was the result of a tractor accident in 1954. Sarah died in August 1960 of heart failure. They are buried in the Eel River Cemetery.

……

ZELPHA MARIE HAND, born February 15, 1893, died in March 1979, in a nursing home in Fort Wayne, Indiana, within a week of being taken there from the Parkview Memorial Hospital where she had been a patient since late January, 1979. She had diverticulitis, then developed pneumonia. Cause of death listed as "arterio-sclerotic heart disease". She was 86.

After graduating from Fort Wayne High School in 1912, Zelpha attended Tri-State College, Angola, Indiana, to obtain a teacher's license. She taught in grade schools in Allen county, then did office work, first in Fort Wayne, and then in San Francisco during the latter part of her stay in California. She was a member of Plymouth Congregational Church in Fort Wayne. She took care of mother (Arminda Hand) and sister (Luella Hursh). She is buried in Huntertown Cemetery.

……

GLADYS VIOLA HAND, was born January 9, 1896, in Allen County, Indiana. After graduating from Fort Wayne High School she worked in offices there, then later attended Indiana University on the Bloomington campus and later at I U extension classes in Fort Wayne. She married Curtis Rinehold and moved to New Albany, Indiana, where he lived. After Curtis's death in 1975, Gladys returned to Fort Wayne to live with her sisters Zelpha and Luella. Luella died in 1976 and Zelpha in 1979. After this Gladys sold the home on South Harrison Street which she inherited and moved to Jacksonville, Illinois, to be near her sister Alice Agger and Alice's family. Gladys is a member of the Plymouth Congregational Church, Fort Wayne, and a member of Delta Zeta Sorority and former member of the Eastern Star Lodge of Huntertown, Indiana. She did volunteer work at the Parkview Hospital in Fort Wayne; also at the Broward Hospital in Fort Lauderdale, Florida, in 1979-1980 when she spent the winter there.

ALICE LUCILE HAND

ALICE LUCILE HAND was born July 30, 1902 in Allen County, Indiana. After graduating from Fort Wayne High School, class of 1919, she attended Indiana University in Bloomington. She taught school one year after which she married JOHN AGGER, who had graduated from Indiana University and was teaching physics in the Jacksonville, Illinois high school. Later he became assistant-principal, then principal, in which capacity he served until his retirement in 1962. Alice continued her education, graduating from MacMurray College in Jacksonville, Illinois. She then taught at MacMurry. She and John were members of the Congregational Church in Jacksonville. They had one child, a daughter ELIZABETH CAIN AGGER. Alice was a member of the League of Women Voters and a former president of the American Association of University Women.

After John Agger's retirement in 1962, he and Alice spent winters in Florida. She did volunteer work in one of the hospitals in Ft. Lauderdale for the Red Cross. John died in Fort Lauderdale in 1971. After his death, Alice continued to spend the winter in Florida through the winter of 1979-1980. Illness prevented her from returning to Florida in the fall of 1980. Alice died September 4, 1981, at the Passavant Hospital, Jacksonville, Illinois. Burial was at Memorial Lawn Cemetery near Jacksonville.

WILLIAM HAND (1760-1819) PHEBE (VANDOLAH) HAND (1761-1845)

William and Phebe were probably born on the eastern seaboard.
They had ten children. The census of 1790 has them living in Frede
County, Maryland. The census of 1810 has them living in Elizabeth,
New Jersey. Around 1816 they migrated to Greene County, Ohio. The
they lived on a small farm in Sugarcreek Township. William died i
1819 and Phebe and some of the children continued to live on the
farm. Their daughter, Sarah, born Nov. 25, 1799 probably in Frede
county, Maryland, gave birth to a son Sept. 26, 1819. She named h
George Washington Hand. Dec. 2, 1824 Sarah married William Erick

James Vandolah also purchased land straddleing Cedar Creek, a fa

Erickson and her husband came and bought land very close to the
Hands. James Vandolah, John Hand and George W. had their land al
joining each other's. So much of the land was swamp so they trie
get land that had a fair amount of high ground to build on, also
the roads followed the ridges. Land prices started at 1.25 per a
but didn't sell so theprice was cut ot 62¢ but still didn't sell
cut it to 32¢.

Serepta Erickson, one of Sarah and William Erickson's daug

of William and Phebe's sons remained in Greene County, Ohio.
Many of the above people are buried in the Huntertown Cemetary

Some additional information on the "HAND" side of the family: William Erickson Hand's father, George W. Hand, was born in Greene County, Ohio, September 26, 1819. His wife, Rebecca Elizabeth Cain, was born in Greene Co., Ohio, June 24, 1824. They were married February 3, 1842. Their children were:

Josephus Hand, born Feb. 3, 1843 - lived only 7 days
Lucetta Hand, born March 24, 1844 - died in 1909
William Erickson Hand, bornDec. 28,1845 - died Feb. 22, 1916
Sarah Elizabeth Hand, born May 6, 1848 - died Oct. 4, 1849
(Lived only 1 year, 4 months and 29 days.)
Mary Jane Hand -born July 27, 1850 - died in 1928

Lucetta maried Robert Dolin. They had 4 daughters: Florence, Eva, Gertrude and Emma.
Mr. Dolin died about 1878. Lucette later married Henry Golden. They had 1 daughter Edith. Mr. Golden died in 1896 and Lucetta died in 1908in Eel River Township, Allen County, Ind.

Mary Jane married Jefferson Sickler about 1870. Their children were:
Cora, George and Sarah. They lived in the house later occupied by the Perry family, located west of the Anderson school on what was later known as the "Carroll" Road in Eel River Twp. In 1883 Aunt Jane and Uncle Jeff took up government land in South Dakota near Wessington Springs. Uncle Jeff was successful there, then retired and moved toSanta Cruz, on the California coast south of San Francisco, owning a home on Branciforte Ave. Uncle Jeff died in 1917. Later Aunt Jane sent money to Zelpha Hand, asking her niece to come visit her. Zelpha did and stayed in California 4 years, part of which time she spent working in the Southern Pacific R.R. office in San Francisco. Zelpha then returned to Ind.

As mentioned previously, William Erickson Hand and Arminda Mae Essex were married February 14, 1882 and had 8 children. More detailed bibliographies of these 8 follow.

George Washington Hand was born December 11, 1882.After graduating from Fort Wayne High School he attended Purdue Univ. in West Lafayette, Ind., studying Civil Engineering. Next he went to work for the Chicago and Northwestern Railroad Co. engineering department in Chicago. While there he met and married Ella Tessen whose father also worked for the C&NW.They lived in Chicago for a time, later moving to suburbs Edison Park and finally to Park Ridge.

George became Chief Valuation Engineer, head of a department that railroads established to prepare detailed evaluations of all their properties in order to comply with a federal law passed in 1913 setting freight rates at a fixed percentage of the property value. The government established bureau to conduct their own evaluations in order to be able to challenge the railroads' figures. George spent so much time in Washington D.C. attending discussions between railroad and government people, mostly lawyers, that he decided to study law in night school, graduating from the John Marshall Law School in Chicago. In the meantime he was promoted to Assistant-to-the-President of the C&NW railroad. Incidentally the railroads challenged the constitutionality of the 1913 law and made a test case of a small belt-line railroad around St. Louis, Mo., the St. Louis & O'Fallon RR. Result: law was declared unconstitutional by U.S. Supreme Court in 1930 or 1931 and 16 or 17 years' work went out the window!

George and Ella had 5 children:

Marjorie
Luella
Robert
George,Jr.

(George, Sr. died in 1964)

Luella Mae Hand was born May 11, 1884. After high school in Ft. Wayne, she attended Valparaiso Univ., Valparaiso, Ind., to obtain a teacher's license, then taught for several years in Allen County, Ind. Then she married Walter Hursh, also a teacher. *George
Charles
Frank
Marie

*George lived only a few months

When Walter Hursh retired he and Luella went to Florida for the winter months. They maintained a mobile home at Palmetto, Fla. the year around but drove back to Ind. for the summers. They started wintering in Florida in the early 1950's. After returning to their home near Huntertown in 1963, Walter became ill. He died in the Parkview Hospital, Ft. Wayne, Ind. in August, 1963. Luella did not return to Florida after that. In 1970 she went to live with her sisters Zelpha and Gladys Hand at their home on South Harrison St., Ft. Wayne, Ind. which their mother had bought and occupied in April, 1920. (Luella's doctor did not want her to live alone after cataract surgery . .) WILLIAM HAND (1760-1819) PHEBE (VANDOLAH) HAND (1761-1845)

William and Phebe were probably born on the eastern seaboard. They had ten children. The census of 1790 has them living in Frederick County, Maryland. The census of 1810 has them living in Elizabeth, New Jersey. Around 1816 they migrated to Greene County, Ohio. There they lived on a small farm in Sugarcreek Township. William died in 1819 and Phebe and some of the children continued to live on the farm. Their daughter, Sarah, born Nov. 25, 1799 probably in Frederick county, Maryland, gave birth to a son Sept. 26, 1819. She named him George Washington Hand. Dec. 2, 1824 Sarah married William Erickson.

In the early 1830's James Vandolah, Phebe's brother, also from Greene County, Ohio came to Allen County, Indiana and bought land in the close vicinity, where John Hand and later George W. Hand bought land from the government. John Hand also bought land in Dekalb county. James Vandolah also purchased land straddleing Cedar Creek, a fairly good sized creek. He had built several water powered grist mills to grind flour and corn-meal, plus other animal feeds. John Hand bought the land but never lived on it. He returned to Green County. Sarah Erickson and her husband came and bought land very close to the other Hands. James Vandolah, John Hand and George W. had their land all joining each other's. So much of the land was swamp so they tried to get land that had a fair amount of high ground to build on, also the roads followed the ridges. Land prices started at 1.25 per acre but didn't sell so theprice was cut ot 62¢ but still didn't sell so cut it to 32¢.

Serepta Erickson, one of Sarah and William Erickson's daughters married a William Thrush. Most of the Thrush family's are living in Dekalb and Noble County's now. Bob Thrush of LaOtto, IN has much of the history of the Thrush family. He showed me a picture of Sarah (Hand) Erickson. The Historical Library in Columbus, Ohio has the history and whereabouts of most people who ever lived in Ohio. Most of William and Phebe's sons remained in Greene County, Ohio. Many of the above people are buried in the Huntertown Cemetary one mile east of Huntertown, Indiana in the old section.

The death of George W. Hand Aug 7, 1901, which occured at his home in Eel River township Wednsday morning, removes from Allen county one of its oldest and best known citizens, who throughout his residence of sixty-five years in Eel river township enjoyed to the fullest extent the confidence and esteem of all who knew him.

Mr. Hand has been in failing health for some months and his death was due to the infirminities of age. He was born in Green county, Ohio, eighty-two years ago and at the age of seventeen came to Allen county in 1838, settling in Eel River township upon the land which is now a part of the Hand homestead. Through the years of his long and vigorous life Mr. Hand was industrious, frugel and upright; he became well-to-do and occupied a prominent place in business,social and political circles.

Perhaps no other citizen of the county was more familiar with pioneer conditions as they existed sixty-five years ago, and with the growth and development of the county through the closing half of the century just ended. He was strong in character, lofty in principle and unfailingly honest. Early in life Mr. Hand began taking an active interest in politics, and he became a recognized democratic leader. It is believed that to him belonged the distinction of having presided over more political gatherings than any other one resident of Allen county.

He was several yea rs assessor of his township, and during several campaigns was chairman of the county democratic central committee. He also served as jury commissioner. But once did he enter the race for a county office, permitting his name to go before the democtatic convention as a candidate for sheriff, but was defeated by Isaac Campbell by one vote. For many years Mr Hand was the recognized leader of the Eel River township delegation in the democratic conventions.

During the pioneers days he was widely known as a trapper and as a successful deer hunter; in fact, there was no phase of the life of the early settler with which he was not fully familiar.

He was a member of the Huntertown lodge of Masons, and was one of the best informed members of the Masonic fraternity. Mr Hand's wife died seven years ago, and he leaves three children and thirteen grand children and seven great-grandchildren. The children are William E. Hand and Mrs. Lucetta Golden, who reside in Eel River township, and Mrs. Jane Sickler, of Wessington Springs, South Dakota.

The funeral services were held from the Huntertown M.E. church Friday morning at 11 o'clock. Rev. McCall officiated.

WILLIAM ERICKSON HAND 1845-1916

Married in Allen County, Indiana February 14, 1882 to Arminda Mae Essex, daughter of Sarah Eleanor Wagoner (Rennecker) and David Orlando Essex. Arminda was born January 30, 1859 in Henry county Ohio. Her mother Sarah was of German ancestory. Arminda attended the Methodist College in Fort Wayne and taught school in Eel River township. After her father's death, her mother married a Sthephen Whicker and they lived about a half mile west of the Hand farm. William farmed and at one time or the other owned land in three different sections, along with his father Geo. W. The land was in Sections 24,25, and 26. in Eel River township.

William and Arminda had Eight children:

George Washington, born Dec. 11, 1882 Allen Co. Died Jan 12, 1964 Park Ridge, Ill.
Luella May, born May 11, 1884 Allen Co. Died Oct 23, 1978 Allen County, Ind.
Jesse Valentine, born Aug. 19, 1888 Allen Co. Died June 23, 1969 Allen County,
Sarah Elizabeth, born July 21, 1890 Allen Co. Died Aug 2, 1960 Allen Co. Ind
Zelpha Marie, born Feb 15, 1893 Allen Co. Died Mar. 29, 1979 Allen Co. Ind.
Gladys Velma, born Jan 9, 1898 Allen Co.
William Erickson, born Nov. 8, 1904 Allen Co.
Alice Luciille, born July 30, 1902 Allen Co. Died Sept 5, 1981 Jacksonville, Ill

The Hand farm consisted of two sets of buildings. One called back the lane and the other one called up on the road. Originally, the road went past the farm back the lane. When the early homesteaders built homes and roads they kept to the high and dry land. Allen county was mostly swamps and brush and was harboring about as many wolves and friendly Indians, along with plenty of deer, as there was settlers. One bear was reportedly seen by Geo W.. Geo W. was an avid hunter and told of the time he shot a deer in the vicinity of the north border of the farm. There was a foot bridge across Eel River he had to cross to get home. He had field dressed the deer and the wolves had picked up the scent and were in pursuit of it. When he came to the foot bridge he heard the howl of a number of wolves and knew that he couldn't keep the deer and shoot all the wolves too. He dropped the deer and ran for home. The next morning he went back to the foot bridge and all was left was a pile of bones. In those days the settlers had only muzzle loading guns and it took time to reload them. It was said that more indians were shot with ram-rods than musket balls as sometimes the settlers had to shoot fast and didn't have time to put the ball in, so shot the rod.

WILLIAM HAND & PHEBE (JENNINGS) HAND

William and Phebe were born on the eastern seaboard, and they had ten children. William was born in 1760 in Essex County, New Jersey and died December 16, 1819 in Sugar Creek Township, Green County, Ohio. Phebe Jennings was born 1761 in New Jersey and died January 14, 1845 in Allen County. They married June 3, 1786 in Westfield, Essex County, New Jersey. The census of 1790 has them living in Elizabeth, New Jersey. Around 1816 they migrated to Green County, Ohio. There they lived in a double log house on a small farm in Sugarcreek Township. One evening Joseph Vandolah showed up at the door and asked to stay overnight. He was dressed in a buckskin hunting shirt, homespun pantaloons, coonskin cap and barefooted. He was carrying $200 in silver dollars in a stocking leg to purchase the quarter section of land opposite where the Hands lived. Daughter Mary "Polly" found Joseph to be attractive, and they became engaged on the spot. They married around 1805 and built a log cabin on the land that Joseph had purchased.

When William died in 1819, Phebe and some of the children continued to live on the farm. Their daughter Sarah, born November 25, 1799 in Frederick County, Maryland, gave birth to son, George Washington Hand on September 26, 1819. His father was a soldier but never married Sarah. On December 2, 1824 Sarah married William Erickson. LINKAGES

The material in this compilation was collected in many places over a number of years, the basic aim of the research being to try to identify the mother of my great grandfather, William Preston.

It seemed likely she was the Margaret Preston who married William Pogue in Greene Co. on 11 April 1817, and this proved to be true. However, no earlier marriage to a Preston could be found in and around the area, but old newspaper articles found in the Greene County Room of the Public Library in Xenia, Ohio, did indicate her maiden name may have been Hand, and there were Hands in Greene County at the time. Also, Margaret Preston was the mother of Isabel Preston who married Alexander Sackett, a son of Cyrus Sackett, in Greene County in 1833. So all of these families were traced in hope that the linkage which would prove Margaret's maiden name might be found.

This search, regretably, has not been entirely successful, for Margaret's maiden name still is unproven. But a tremendous amount of information on the four principal families involved, and many of their descendants, was developed in the course of that research. This compilation is meant to consolidate that information which I and others have collected, and to outline the various families as accurately as possible.

In no way is this meant to be the "final" word on these families--that is an impossible goal. It is meant to be a guide, nothing more, and inevitably it will contain errors. But the questionable or unproven information should be apparent from the wording, and other researchers will recognize the need to verify their own lines carefully, and to correct any errors they find.

HUSBAND William HAND

NOTES:

Marriage: from marriage record found in the Westfield (NJ) Presbyterian Church extracted records. His father may have been Daniel Hand.

Some info from "The History of Miami Co., OH" (1880), page 477. He left a will in Greene Co. dated 5 Jun 1819, presented 16 Dec 1819, wherein he named his wife Phebe and their children: three, Samuel, John and Serepta, were not then of age; two daughters, Sarah and Phebe, who probably were of age but not married, were given $50 each; and three daughters, Betsey, Mary and Martha, were given $2 each, indicating they were probably married and already had received their share, but no married names were given. There was no mention of a daughter named Margaret, so the parentage of the Margaret (Hand?) who married Patrick? Preston and William Pogue remains unresolved. Robinson's History of Greene Co. also listed a Joseph Hand as a son, but this relationship is not reflected in William's will and other documents, and nothing further is known of him. William's land in Greene Co., some of which which he acquired in May 1819 (Book 7, page 287), was in Sugar Creek Township, Section 6, Twp 3, Range 5, about 1-1/2 miles south of Bellbrook on the present Waynesville Road. He also once owned 74 acres of land in Hamilton Co., near Cincinnati, which he sold in June 1816 (Hamilton Co. Deed Book Q; page 107).

WIFE Phebe JENNINGS

NOTES:

She was shown in 1820 census in Sugar Creek Township as head of household, but was not found as such in the 1830 census; however, she did appear in court in Greene Co. on 1 Nov 1835 to attest to the transfer of her land to John Hand (Deed Book 16, page 431). She accompanied her Vandolah descendents and her granddaughter Sarah Anderson to Indiana.

CHILD 1 Mary or Polly HAND

OTHER MARRIAGES:

William WHICKER

Married: 5 Apr 1819(Div) ,Greene Co,Ohio

NOTES:

Birth date is estimated, per 1830 census. She was in her father's will, given a small bequest, which may indicate she had received a previous settlement, perhaps when married. The names of her five children from her first marriage and the two from her second marriage were found in the article in the Bellbrook Moon which described the circumstances of her marriage to Joseph Vandolah. She was known as "Polly"; probably was born in New Jersey.

Her divorce petition from her second husband was filed on 28 Dec 1829 in Greene Co. (abstracted in "Ohio Divorces: The Early Years", by Carol W. Bell (1994)) and alleged extreme cruelty, that he had beat her and threatened her life. She was granted custody of their two children, and her dower lands from her first marriage were restored to her. In Dec 1835 her children sold land they inherited from their father and included "all their right in their mother's right of dower" (Greene Co. Deed Book 17, page 36). No burial record for Polly was found, but she probably was deceased before 1850.

CHILD 2 Benjamin HAND
NOTES:
Known as a son of William and Phebe Hand; date and order of his birth is estimated. Biographic info from page 74, "A Genealogical Index of Pioneers in the Miami Valley, OH" by Lindsay M. Brien (1970); also "The History of Miami Co., OH" (1880), page 477. The first stated his will named children Cyrus, William and Nancy. The cemetery where he was buried is now lost.

CHILD 3 James HAND
NOTES:
Birth date is estimated. He probably was born in New Jersey. He was named in his father's will. A Greene Co. deed dated 5 Dec 1835 (Book 16, page 622) covering the sale by John Hand of land be bought from his mother contained the statement "John Hand....to defend against all lawful demands of all persons accepting [sic] the claim of Ann Hand, wife of James Hand", thus indicating a marriage for which no record has been found. In deed dated 3 Aug 1835 (Book 16 page 331) James Hand "of Greene Co.", together with Benjamin and Sarah Hand of Miami Co. and Samuel R. and Mary Hand of Hamilton Co., "..legal heirs of William Hand", sold to John Hand three-fourths of the undivided 51-1/2 acres in Sec 6 Twp 3 Range 5. No wife was listed for James in that deed. From these deeds, it seems clear James was estranged from his wife, and it even could be inferred that he had died between August and December 1835. It seems clear all of these references apply to the James who was a son of William and Phebe Hand.

There were several James Hands in the Cincinnati and Greene Co. areas from 1815 through 1830's. In 1820 a James Hand, born 1775-1794, described in the 1819 city directory as a house carpenter, was in Ward 1 Cincinnati with a wife and six small children, including two daughters under 10, in his household. This probably was the one who administered Patrick Preston's estate. In 1830 a James Hand, born 1760-1770, without a wife but with two females age 15-20 in his household, was in Mill Creek Twp., close by the city. It is feasible, despite the age discrepancy, this was the same individual; it also is possible he was the son of William and Phebe Hand. In 1840 the James Hand who was in in Hamilton Co. was born 1800-1810, and therefore was not the same man.

In 1850, a James Hand, age 67 (or born c1783), born in New Jersey, a carpenter, was in Perry Twp, Allen Co., IN, in the household of Benjamin Vandolah. While this man does not fit exactly either as the son of William and Phebe (they were married in 1786), or the James who was in Cincinnati in 1820/1830 (born 1775-1794 or 1760-1770), the possibilities cannot be discounted. In any case, it is reasonable to assume there was a relationship (he could have been Benjamin's uncle, for instance), and particularly since Phebe Hand died in Allen Co. This James Hand was not found in the 1860 census or in Allen Co. burial records.

CHILD 4 Betsey HAND
NOTES:
Birth date is estimated. She was named in father's will, given a small bequest, which may indicate she had received a previous settlement, perhaps when married. No married name was given in the will; no further info.
She probably was born in New Jersey.

CHILD 5 Martha HAND
NOTES:
Birth date is estimated. She was named in father's will, given a small bequest, which may indicate she had received a previous settlement, perhaps when married. No married name was given in the will; no further info.

CHILD 6 Sarah HAND
NOTES:
Birth date is estimated. She was named in her father's will, and apparently was of age but not married at the time of her father's death, as she was given a $50 settlement. A Sarah Hand married William Alexon on 2 Dac 1824 in Greene Co., no further trace under that surname. It is now believed the surname probably was Erixson, based on the following: a William and Sarah Erixson are buried in the Huntertown Cemetery in Allen Co., Indiana, where Phebe Hand and many of the Vandolahs are buried, Sarah born 25 Mar 1799 and died 27 Sep 1865; in the 1840 census William and Matthew Errixson were in Swan Twp, Noble Co., Indiana; in 1850 Matthew Erickson was in Blue Creek Twp, Adams Co., Indiana, both counties which abut Allen Co.

CHILD 7 Phebe HAND
NOTES:
Birth date is estimated from 1850 and 1860 censuses, in which her birthplace was shown as New Jersey. She was named in her father's will, and apparently was of age but not married at the time of his death, as she was given a $50 settlement. The marriage record to Matthias Elixson [sic] described her as "Miss Phebe Hand", which confirms this was not a remarriage of her mother. Not located thereafter under the surname Elixson, and it is probable the name actually was Erixson or Erickson. A Matthew and William Errixson were in Swan Twp, Noble Co., Indiana in 1840, and Matthew Erickson was in Blue Creek Twp, Adams Co, Indiana, in 1850 and 1860, both couties which abut Allen Co. William and Sarah Erixson were buried in the Huntertown Cemetery in Allen Co., where Phebe Hand and many Vandolahs were buried.

CHILD 8 John HAND
NOTES:
His birth date is estimated. He was named in his father's will, and at that time he was not of age. There are 1837 estate papers in Greene Co. which probably apply (Microfilm Roll 80, Box 22). These show his (presumed) brother-in-law, William D. Johnson, acted as administrator in lieu of his widow, Sarah. A sum of $58 was noted as paid to a George W. Hand, who has not been identified, but possibly was from a Hand family in the adjacent Madison County.

CHILD 9 Samuel R. HAND

OTHER MARRIAGES:

Jane WHITESIDES
Married: 27 Jul 1841 ,Hamilton Co,Ohio
Catherine TAYLOR
Married: 31 Aug 1849 ,Greene Co,Ohio

NOTES:

He was named in father's will, and was not then of age. In Aug 1835 he was included in the sale to his brother John of land he and his brothers inherited from their father (Greene Co. Deed Book 16, page 331). In that deed he and his wife Mary were listed "of Hamilton Co.", and they appeared there on 19 Oct 1835 to attest the deed. No marriage record to Mary has been found. He was there in the 1840 census, and where he apparently married for the second time in 1841. In 1850 he was living in Miami Township in Greene Co. and his wife then was Catherine, whom he married in 1849; no children were listed in that census.

CHILD 10 Serepta HAND

NOTES:

Birth date is estimated; she was named in father's will, and was not then of age. She may have died young, but after 1819.

   The story of his marriage to Mary "Polly" Hand was found in page 25, Vol 1, in scrapbook of articles from the
   Bellbrook Moon, published about 1895, in the collection of the Greene Co. Library, Xenia, OH.  No date of the
   marriage was given, and no record has been found, but it probably occured between 1805-08.  The land his children
   inherited from him and sold in 1835 was in Sugar Creek Township, the SW4 of Section 36, Fractional Twp 4, Range 5,

which lies about one mile south of Bellbrook.
Research by Barbara K. Fahey of Newport, OR (1997) indicates he may have been some twenty years older than Polly Hand; that he may have been identical to the Joseph Vandolah who was on tax list in Washington Twp, Fayette Co,PA in 1785 and 1786; and that he may have been a brother of Peter Valdolah who also was in Greene Co., OH at the same time as Joseph.

CHILD 1 Joseph VANDOLAH
NOTES:
In Greene Co., OH deed dated 29 Dec 1835 (Book 17, page 36), he appeared in Allen Co., IN, to attest to his participation in the joint sale of land inherited from Joseph Vandolah.
In 1850 this family was in Butler, De Kalb Co., IN; in 1860 in Perry Twp., Allen Co., IN. It should be noted that some researchers have placed the Joseph Vandolah, age 45, wife Mary, who was in the 1850 census in Clay Twp, Dearborn Co., IN, as a son of Joseph and Mary (Hand), and have placed the Joseph who married Drucilla Nickerson as a son of Peter and Sarah Vandolah (i.e., Peter and Joseph being brothers, sons of Peter and Hester). However, they also report that descendants of Henry Fair Vandolah said that Henry married a first cousin, Julia Ann Vandolah, which would apply only if Joseph and Benjamin were brothers; therefore, it is considered more probable that the son of Joseph and Mary Hand was the Joseph who married Drucilla.

CHILD 2 James VANDOLAH
NOTES:
Article on page 25, Vol. 1, Scrapbook of Clippings from the "Bellbrook Moon" said he was a millwright and had built and operated several mills in Greene Co. before moving to Indiana. On 29 Dec 1835 he and Rebecca and his siblings Joseph, Benjamin and Sarah Ann, sold land they inherited from their father (Greene Co. Deed Book 17, page 36). On 22 Aug 1842, James and Rebecca, then of Allen Co., IN, sold land in Greene Co. (Deed Book 23, page 58). In 1860 his widow Rebecca was in Perry Twp, Allen Co., IN.

CHILD 3 William VANDOLAH
NOTES:
Birthdate is estimated; actual date is unknown. Article on page 25, Vol. 1, Scrapbook of Clippings from the "Bellbrook Moon", said he died when about 12 years old.

CHILD 4 Sarah Ann VANDOLAH
NOTES:
On 29 Dec 1835 she, along with her brothers James, Joseph and Benjamin sold property in Greene Co. inherited from their father (Greene Co. Deed Book 17, page 36). Barbara K. Fahey, a descendent of her brother Benjamin, gave his birth year as 1812, which conflicts with hers which is calculated from data shown on her gravestone.

CHILD 5 Benjamin Henry VANDOLAH
NOTES:
Birth and death dates and other information on this family from Barbara K. Fahey, a descendant, 330 N. W. 16, Newport, Oregon 97365 (1997). Note that the 1812 birth year, assumed as shown on his gravestone, conflicts with 1811 birth year shown on his sister Sarah's gravestone. In Dec 1835, he and his siblings James, Joseph and Sarah Ann, sold interests in land inherited from their father (Greene Co. Deed Book 17, page 36). In 1850 he was in Perry Township, Allen Co., Indiana, and in his household was James Hand, who may have been his uncle.

In Greene Co., OH deed dated 29 Dec 1835 (Book 17, page 36), he appeared in Allen Co., IN, to attest to his participation in the joint sale of land inherited from Joseph Vandolah.
In 1850 this family was in Butler, De Kalb Co., IN; in 1860 in Perry Twp., Allen Co., IN. It should be noted that some researchers have placed the Joseph Vandolah, age 45, wife Mary, who was in the 1850 census in Clay Twp, Dearborn Co., IN, as a son of Joseph and Mary (Hand), and have placed the Joseph who married Drucilla Nickerson as a son of Peter and Sarah Vandolah (i.e., Peter and Joseph being brothers, sons of Peter and Hester). NOTES:

In 1850 and 1860 they were in Eel River Township, Allen Co., Indiana. He is presumed to have died there, but burial record not found.

WIFE Sarah Ann VANDOLAH

NOTES:

On 29 Dec 1835 she, along with her brothers James, Joseph and Benjamin sold property in Greene Co. inherited from their father (Greene Co. Deed Book 17, page 36). Barbara K. NOTES:
Birth and death dates and other information on this family from Barbara K. Fahey, a descendant, 330 N. W. 16, Newport, Oregon 97365 (1997). In Dec 1835, he and his siblings James, Joseph and Sarah Ann, sold interests in land inherited from their father (Greene Co. Deed Book 17, page 36). In 1850 he was in Perry Township, Allen Co., Indiana, and in his household was James Hand, who may have been his uncle.

HUSBAND  William WHICKER
  NOTES:
    In some records the surname is Wicker.  Polly's divorce petition filed 28 Dec 1829 in Greene Co. alleged extreme
    cruelty.

WIFE    Mary or Polly HAND
  OTHER MARRIAGES:
    Joseph VANDOLAH
            Married: Abt 1804             Sugar Creek Twp,Greene Co,Ohio

  NOTES:
    Birth date is estimated, per 1830 census.  She was in her father's will, given a small bequest, which may indicate
    she had received a previous settlement, perhaps when married.  The names of her five children from her first
    marriage and the two from her second marriage were found in the article in the Bellbrook Moon which described the
    circumstances of her marriage to Joseph Vandolah. She was known as "Polly"; probably was born in New Jersey.
    Her divorce petition from her second husband was filed on 28 Dec 1829 in Greene Co. (abstracted in "Ohio Divorces:
    The Early Years", by Carol W. Bell (1994)) and alleged extreme cruelty, that he had beat her and threatened her
    life.  She was granted custody of their two children, and her dower lands from her first marriage were restored to
    her.  In Dec 1835 her children sold land they inherited from their father and included "all their right in their
    mother's right of dower" (Greene Co. Deed Book 17, page 36).  No burial record for Polly was found, but she probably
    was deceased before 1850.

    In 1850 he was in Perry Township, Allen Co., Indiana; not found thereafter.

  NOTES:
    Known as a son of William and Phebe Hand; date and order of his birth is estimated.  Biographic info from page 74,
    "A Genealogical Index of Pioneers in the Miami Valley, OH" by Lindsay M. Brien (1970); also "The History of Miami
    Co., OH" (1880), page 477.  The first stated his will named children Cyrus, William and Nancy.  The cemetery where
    he was buried is now lost.

WIFE     Sarah SACKETT
  NOTES:
    Information from "The History of Miami Co., OH" (1880), page 477.  She has not been found in 1850 census; in 1860
    she was living in Brown Twp., Miami Co., in the household of her son-in-law Daniel Brelsford.

CHILD 1 Cyrus HAND
  NOTES:
    Not found in 1860 census, and two of his children, Alvin and Gilbert, were in the household of George and Elizabeth
    Suber in Miami Co., it is is possible he was deceased by that year, and perhaps as early as 1852.

CHILD 2 William HAND
  NOTES:
    He possibly died about 1850.  It is not yet proved that the marriage to Matilda Luce pertains.

HUSBAND James HAND

NOTES:

Birth date is estimated. He probably was born in New Jersey. He was named in his father's will. A Greene Co. deed dated 5 Dec 1835 (Book 16, page 622) covering the sale by John Hand of land be bought from his mother contained the statement "John Hand....to defend against all lawful demands of all persons accepting [sic] the claim of Ann Hand, wife of James Hand", thus indicating a marriage for which no record has been found. In deed dated 3 Aug 1835 (Book 16 page 331) James Hand "of Greene Co.", together with Benjamin and Sarah Hand of Miami Co. and Samuel R. and Mary Hand of Hamilton Co., "..legal heirs of William Hand", sold to John Hand three-fourths of the undivided 51-1/2 acres in Sec 6 Twp 3 Range 5. No wife was listed for James in that deed. From these deeds, it seems clear James was estranged from his wife, and it even could be inferred that he had died between August and December 1835. It seems clear all of these references apply to the James who was a son of William and Phebe Hand.

There were several James Hands in the Cincinnati and Greene Co. areas from 1815 through 1830's. In 1820 a James Hand, born 1775-1794, described in the 1819 city directory as a house carpenter, was in Ward 1 Cincinnati with a wife and six small children, including two daughters under 10, in his household. This probably was the one who administered Patrick Preston's estate. In 1830 a James Hand, born 1760-1770, without a wife but with two females age 15-20 in his household, was in Mill Creek Twp., close by the city. It is feasible, despite the age discrepancy, this was the same individual; it also is possible he was the son of William and Phebe Hand. In 1840 the James Hand who was in in Hamilton Co. was born 1800-1810, and therefore was not the same man.

In 1850, a James Hand, age 67 (or born c1783), born in New Jersey, a carpenter, was in Perry Twp, Allen Co., IN, in the household of Benjamin Vandolah. While this man does not fit exactly either as the son of William and Phebe (they were married in 1786), or the James who was in Cincinnati in 1820/1830 (born 1775-1794 or 1760-1770), the possibilities cannot be discounted. In any case, it is reasonable to assume there was a relationship (he could have been Benjamin's uncle, for instance), and particularly since Phebe Hand died in Allen Co. This James Hand was not found in the 1860 census or in Allen Co. burial records.

WIFE Ann (   ) HAND

NOTES:

The only reference found on her was the Greene Co. deed mentioning her as the wife of James Hand.

HUSBAND William ERIXSON OR ERICKSON
NOTES:

Spelling of surname in Greene Co. marriage record was Alexson, which was probably phonetic. Not found in any other records under that spelling, and it is now believed the name actually was Erixson. A William Erixson and his wife Sarah are buried in the Huntertown Cemetery in Allen Co., Indiana, he born 22 Jan 1797, died 9 Oct 1865. He has not been located in a census after 1840; in 1840 he was in Swan Twp, Noble Co., Indiana, which abuts Allen Co. If he was a brother of Matthew, then he probably was born in Delaware.

WIFE Sarah HAND
NOTES:

Birth date is estimated. She was named in her father's will, and apparently was of age but not married at the time of her father's death, as she was given a $50 settlement. A Sarah Hand married William Alexon on 2 Dac 1824 in Greene Co., no further trace under that surname. It is now believed the surname probably was Erixson, based on the following: a William and Sarah Erixson are buried in the Huntertown Cemetery in Allen Co., Indiana, where Phebe Hand and many of the Vandolahs are buried, Sarah born 25 Mar 1799 and died 27 Sep 1865; in the 1840 census William and Matthew Errixson were in Swan Twp, Noble Co., Indiana; in 1850 Matthew Erickson was in Blue Creek Twp, Adams Co., Indiana, both counties which abut Allen Co.

    In the 1860 census his wife was Elizabeth.  He possibly was a twin with Serepta.  It is believed he was the same as
    was living in 1860 in Eel River Twp, Allen Co., Indiana, his neighbors George W. Hand, William Anderson and Stephen
    Whicker.  This George W. Hand was born about 1820 in Ohio, and has not been placed in a family, but he undoubtedly
    was related to those he lived among, possibly a son of James.

WIFE     Elizabeth ( ) ERIXSON OR ERICKSON

CHILD 1 Serepta ERIXSON OR ERICKSON

CHILD 2 Jennie ERIXSON OR ERICKSON
  NOTES:
    Her given name in the census is not clearly written, so this name may be incorrect.  The name was not Jane.

Benjamin Hand & Phoebe Woods

Littell - First Settlers of Pasaic Valley tells that Benjamin and Phoebe had Daniel (no Children), Betsey, John, Dennis (who went to OH), Polly, Electa (OH) and Joseph.

However, I'll like to know more about proof that this Benjamin was the son of the Daniel you quote. See my more recent posting.

Benjamin (b.1764) father of Chloe Hand

Posted by: Cecil Stuerke **Date:** April 11, 1999 at 07:47:10

472 of 989 Go

Research of the Hand Family

The Corwin cemetery in Miami County, east of Waynesville OH has a tombstone for Chloe Hand (1806-1883), wife of George N. Cornell. It tells that Chloe Hand was the New Jersey born daughter of Benjamin and S. Hand.

I found the New Jersey marriage record of Benjamin Hand and Sarah Grey. They were married Aug 30 1795 by Rev Horne (Baptist) in Westfield township Essex Co. NJ.

I found NJ will abstracts which included the Aug 30, 1777 will of Daniel Hand. It named his wife Mary and children (not of age) Benjamin, William, John and Phebe. Property records showed that Daniel Hand had bought land from William and Nathaniel Grey and brother in law Dennis Coles. These records were not carried much further until 1996. Note that Wm. was under age - below 21

Our Wm. b. 1760 would be 17 in 1777.

In 1996 I found a letter from Rosemary Feaser. The note said that Mary Cole Hand died in Butler Co. OH, 9 Jan 1831, 99 yrs 6 mo 29da. Mary is buried in Indian Creek Cemetery Reilly Twp. This showed that I had to be on the right track with ancestry for Chloe Hand.

Close to Cincinnati

Littell records that Benjamin, born 1805, was the son of Nehemiah and Sarah. The LDS Ancestral File says Nehemiah's wife was Lydia. (Something else that needs resolved).

Listed with the Cole family, Littell tells that William Cole died in 1752 in Elizabeth NJ. He married Betsey Dennis. Their children were William who married Elizabeth Williamson, James who married Elizabeth Frazee, Dennis who was unmarried but lived to an old age, Mary who was born 1831 married Daniel Hand and lived on top of First Mountain, Elizabeth who married John Merril and Phebe who was unmarried but lived to an old age. This is obviously the family connected by the NJ property records of Daniel Hand. The IGI repeats that Dennis is mentioned in the will of William Cole 17 Feb 1752, Elizabeth NJ.

1731?

Could I find anything more on Sarah Grey? The Mormon IGI says Sarah Grey's parents were Daniel Grey and Phoebe Butler. I found "Gray Genealogy being a genealogical record and history 1887" at the

MidContinent Library in Independence MO. In it Mr. LD Cory of Glasso KS (dated Feb 23, 1887) is quoted. "My mother was a granddaughter of Daniel Gray who was born in Essex Co NJ Mar 20, 1749. He married Phebe Butler in same Co. 1775 emigrated to Warren Co. OH 1809 where he died Feb 19, 1843. He drew a Rev War pension till he died." just So. of Greene

A Warren Co.OH history says Catherine Munger daughter of Daniel Grey of NJ b. 1791 came to Miami Co with her parents in 1809 and lived in Clear Creek Twp of Warren Co.

These records provide several generations in a Chloe Hand ancestor tree. They also provide several names of families that could be researched further.

P.S. The Benjamin b. 1805 of the 5th paragraph tho a son of Nehemiah according to Littell is of the wrong generation and should not have been posted.
I defer to the Ancestral file which gives Daniel b. 1738 son of Nehemiah + Lydia.

Hi Cecil,...I got my information from a book printed in 1931 called "The Ancestors of--Mylo Newton Byington and Susan Eliza Ann (Throop) Byington with Some Notes Regarding Related Families".....The Hand page in the book was done by John Randolph Hand. The line goes back to John Hand born In Kent Co., England 1611 and comes as far forward as John Randolph Hand married to Gertrude Byington. According to what I have found on the genforum and WFT, he did miss a generation back right after John (1611). I also have a family tree drawn and written by Louis Henry Hand (son of John R. Hand) that goes from Benjamin Hand, forward and was done in 1905. Both are pretty sketchy and I am trying to make sure the connections are all correct...
If you are interested in any more of the information, or may have more that could help me, email me...Thanks, Belva

From Hand researcher Linda Smith:
Hand, Sissons, Scott on pg. 12 lists Thomas' wives as being "(1) Mary, daughter of Captain Thomas Talmadge of E.H. (ref Rattray); married (2) Katharine, possible the daughter of John Stubbs of Cape May, mariner, August 29, 1702. "

Dymond on Page 42 lists "He married (1) married Mary Talmage, daughter of Capt. Thomas Talmage of East Hampton, before 1687. He married (2) Katherine (Tubbs or Matthews) ? "

Z&D on page 61 mentions "Thomas married Katharine---and it is supposed that she was a daughter of John Stubbs and that she was the mother of Deborah. Anyway Thomas may have been married more than once but there is no record of it."

Cape May New Jersey Hands

Posted by: Barbara Frakes Dossett **Date:** December 08, 1999 at 19:23:16

The following are copies of letters that have to do with the Hand family. I do not have the original but a copy clearly marked “COPY”. I found this among my parents geneology papers. I would guess that it is copies of letters possessed by Anna Laura Hand Brown. I attempted to duplicate these letters just as they were---misspellings and all. The oldest letter is over 60 years old. Hope this helps others find what they are seeking with the Hands. Barb

Charles R. Hand, Esq.,
Coral Ridge, Ky.

My dear Sir:

No Hands on the Mayflower maiden journey

As nearly as I can tell, from reference to “Mayflower” descendents in Cape May County, a rather elaborate book on the local geneology, and Mayfolwer descendants published by my father’s concern, the Hand family, generally speaking, are descended from John hand, who was in Lynn Massachusetts Bay Colony as early as 1636. One of his nine children was Thomas Hand who was born in 1646 and was drowned at Cape May in 1714. I believe that this Thomas had a son John and George. There is also a record of Children of one Thomas Hand, Thomas Stites Hand and Elizabeth Edmunds hand who were baptised here in 1815.

I have no personal information on the subject and such as I have here given you, as I say, has been taken from the book published by my father.

The only thing that I can add is that as you possibly may know there is a very numerous family of Hands in this section, none of who, apparently, are very closely related to me. As nearly as I can tell, the Hands of the United States are still concentrated largely in Cape May county, New Jersey and also in Long Island

and in and around New York. I run across very few of them elsewhere.

The bulk of the hand family and possibly all of them are direct descendants of the Mayflower and you may be interested to know that in the community with permanent population of not over 3000 there are pretty well established to be about 1200 descendants from the Mayflower

Sincerely,

(s) Millet Hand

Mr. Charles R. Hand ,
Coral Ridge, Ky.

My dear Sir:

In looking over some "Hand" Genealogical Manuscripts at the Cape May County Historical Society yesterday, I found your letter of December 1939 to Mr. Post inquiring about your ancestor, Thomas Hand, who was born in Cape May County.

While I am no kin of this family, I am much interested in all the early settlers in Cape May and Glouscester Counties, New Jersey, and happen to be able to tell you just who your ancestor was.

The first of the name to come to America was John hand with wife, Alice, who came from Maid Stone County, Kent, England. He first appears in Southampton, Long Island in 1644 and in 1649 was one of the patentees of East Hampton, Long Island, where he thereafter lived and died about 1661. He left the following children: John 2, Stephen 2, Mary 2, Joseph 2, Benjamin 2, Thomas 2, Shamgar 2, James 2:

Benjamin 2 born about 1644, Thomas 2 born about 1648, Shamgar 2 born about 1646 – all removed to Cape May County, new jersey, with their or some of their children about 1690.

Thomas Hand 2, made his will October 21, 1707, calls himself aged 59 at that time. His will was probated October 1714, he left issue: John 3, Thomas 3, Jeremiah 3, George 3, Recompense 3, Prudence 3, Deborah 3, and Alice 3

Thomas hand 3, born about 1677, died may 1732 (left Will) married Jerusha Dayton born about 1680 died shortly after him (about 1733) daughter of Jacob and Ruth (Diament) Dayton who lived in Long Island and removed to Cape may about 1695. He, Thomas hand 3, left issue; Thomas 4, Lucy 4, Mary 4, Cedia 4, Jermiah 4, Jerusha 4, Aaron 4, Levi 4 Hand born about march 4,1728

Levi Hand 4 born march 4, 1728 married -------? Mary--------, He died 1756, interstate. His widow admistered his estate. He left issue as by family records: Levi Hand Jr. 5, born june 3, 1751, and Matthew hand 5, born October 7, 1754.

Levi hand Jr. 5 born June 3, 1751 died October 15, 1820 in Cape May County, New Jersey. He married 1st May 10,1773 Zebiah Soull born February 11,1752 died February 19,1774, left no surviving issue. He married 2nd November 8, 1774 Ester Hewitt born 1745 died June 13,1791 aged 46 years, daughter of

Thomas Hewitt4 (Joseph3, Randel 2, Randal 1)He married 3rd Priscilla born 1742died December 11,1793. Levi Hand Jr 5 by his wife Ester Hewit had issue:

1. Zebiah hand 6 born July 12, 1775 died January 2, 1820 (aged 56 years 5 mos and 21 days) married March 24, 1793 Elijah Matthews Jr born July 23,1771 died 1828, son of Elijah and Martha Smith Matthews

2. Levi hand 6 (34) b. march 2, 1778 died July 22,1860 (aged 82) married November 5, 1796 Elizabeth Stites--------died about 1797 daughter of ------------. He married 2nd , June, 10,1798 Margaret Izard born September 23,1780 died February 16,1831 daughter of Simon and margaret (Thompson) Izard. He married 3rd April 13, 1833, Elizabeth (Newton) (Parsons) Schellinger born 1792 died December 22,1843 daughter of -------------Newton and widow in turn of Parson and Jeremiah Schellinger. He married 4th, April 15, 1845 Sophia (Eldridge) Nottingham born march 18, 1780, died February 1869 daughter of Silas and Elizabeth (Eldridge) Eldridge and widow of Jonathan Nottingham.

3. Thomas Hand 6, born February 10, 1783 died January 17, 1845 married July 10, 1803 Sarah Stites in Cape May County.

4. Aaron Hand 6, born July 5, 1783 died May 31, 1852 in 67th year married January 10, 1808, Rebecca Nulford born 1790 died July 15, 1868, in 79th year in Cap May County.

Levi hand 5 (1751-1820) left a Will proved October 26, 1820 in Cape May County. Leaves his sons Levi and Aaron, and Grandson Samuel Matthews as Executors but only Samuel Matthews qualifies. To his son Levi, His great Bible, then to his grandson Levi. To my sons Levi and Thomas hand my plantation I now live on, etc. Thomas Hand 6 your ancestor, moved West as you say for in Cape May County Deed Book l page 575, there is a deed from Thomas hand and wife Sarah of Floyd County, Indiana, dated February 26, 1826 in which they convey to Levi Hand of Cape may County New Jersey, ½ of a plantation in Middle township where Levi now lives, devised to said Thomas hand by his father Levi Hand.

Now I think this proves your ancestory back to the first John hand.

Now about the tradition of a revolutionary soldier. Thomas hand 6 (1783-1845) older sister Zebiah married Elijah matthews, Jr. His father Elijah Matthews, Sr. was killed in the Revolutionary War being shot by the British when he was on an armed barge on Delaware Bay September 30,1779. He is buried with a tombstone still standing, on his own farm on which this epitaph is still to be seen:-
"Elijah Matthews died September 30, 1779 aged 30 years, 6 mos vernerate 0 reader, the remains of a Hero who gave his life for that Liberty which is now thy boast"
This may be where the tradition comes in.

Then there was another relation, not so close, that might be it: Col. Elijah Hand 4 born January 20, 1730 died 1790 (Recompense 3, Thomas 2 John 1) who was a brother of Thomas Hands (1783-1845) great grandfather; was Revolutionary War but since he Col. Elijah, was so distant by relation and died when Thomas was only 6 years old, I should not think he would be so well known to him where as his own uncle by marriage who did not die until 1828 would have talked of his fathers death to him.

I would appreciate it if you would tell me first – in what county and in what Church yard Thomas Hand who died in 1845 is buried

Yours very truly,

(s) H. C. Campion, Jr.

Mr. Edward Post,
Secretary, Cape May Historical Muesum,
Cape May Court House,
New Jersey.

Dear Mr. Post:

Please accept my thanks for your kind letter of last October 4, and my apologies for this tardy answer.

However, I have been searching for documentary proof of the parentage of Thomas hand (Sarah Stites 7-10-1803) and reluctantly to say that the only family tradition had formed my source of information. This family tradtion is that he is the son of one Col. Isaac Hand of New Jersey, who the family says fought in the Revolutionary War, Firing the first shot at the British at the battle of Lexington. I talked to Priscilla Amealia Calhoun, Nee Hand, before her recent death and was confirmed in this opinion as to the ancestry of Thomas Hand. Aunt Priscilla was the only surviving daughter of Thomas Stites Hand.

He was born April 10, 1815. A brother to Thomas s was born I positively know, in New Jersey on July 2, 1806. This brother's name w3as Jacob S. hand. My authority for this is found in History of the Ohio Falls Cityies p 555. Thomas Hand (son of Col Isaac) was born in 1784 as his tombstone dated 1845 relates him as being 61 years 11months and 8 days at the time of his death. The exact date of death is not readily decipherable. My father Jesse Oliver is named in part as to the Oliver for same brother of Col. Isaac.

I have given you these facts, tiny though they seem in hope that they may throw som light on the ancestry of Thomas Hand. I do not find record in the rolls of the soldiers New Jersey of Col Isaac Hand but the family adherence to this work of mouth kinship is so strong that I cannot help but believe it to be absolutely true. And Uncle Isaac Bien (Ben)? Is reputedly named after Col. Isaac.

My family also believe devoutly, that they are originally from Germany, Settlers in England for several hundred years in Cornwall County, Wales, Thence to America at the time of the Pilgrims.

I do not want to be too long in this enumeration so I will only add that Mr. T. Millet Hand advised me that children of Thomas Hand, Namely Thomas Stites Hand and Elizabeth Edmunds Hand were baptized at Cape May in 1815. He also makes reference to his belief that the bulk of the hand family, if not all, are descendants of the Mayflower Colonists. This is in accordance with family beliefs, altho I had not expressed the same to you. Mr. T. Millet Hand is at Cape May, N. J.

I appreciate greatly your kind help but am afraid we seem to be lost as to Col. Isaac unless you have some record of him.

Very truly yours,

(s) Charles R. Hand

Or does Grandma Phebe just have some grandchildren living with her as well as perhaps a daughter?????..........The 1830 census of Greene County also has Benjamin Hann (Hand?) and appears to be in the same age bracket of the 1820 Benjamin.

GENEALOGY Of East Hampton Families

Long Island

FILER FAMILY

"Samuel Fyler," then so spelled, was in East-Hampton as early as 1677-8, and from him the line runs down to the present day. Many of this stock have removed from East-Hampton to localities far distant, of whom Zephaniah (brother of Thomas the tailor) removed to Troy, N. Y. nearly or quite one hundred years ago, where his descendants now live. The family has been industrious and aspired to mental culture.

Thomas the tailor had ch. Theron, and Charles of Sag-Harbor, who both left descendants.

THERON had ch. born in this order: Samuel F., Mary H., Thomas A., George E. and Henry C.

CHARLES had ch. born in this order: Nancy L., Charles H., Herbert, Ozem, Emmett, T. Alvah, Ada, Harriet.

THE DIMON FAMILY

Contributed by Teunis D. Huntting, of Brooklyn, N. Y., and inadvertently printed out of its alphabetical order.

In the early records of the town, the name of this family is found spelled in various ways, as Diament, Dyament and Dimond. The last few generations have used still another form, viz: Dimon, which is now universally the one used by the descendants of the early settler at East-Hampton.

THE HAND FAMILY

Samuel 3
Stephen 2 d1740
John 1

Contributed by Clifford A. Hand of New-York City.

JOHN HAND 1 was a native of Kent County, a land owner in the parishes Punbridge and Ashford, in that County. He signed himself "yeoman," and thus was ranged in that sturdy class, which was the true strength of England and which made her power invincible on many famous battle fields. The first distinct trace of him in America was in March, 1644, when he was enrolled in the 3d ward of Southampton, Long Island. He was one of the little company, who soon took up the land adjoining Southampton on the east, and planted there the new settlement, first called by them Maidstone, and now East-Hampton. He was one of the nine original patentees or grantees of East-Hampton. In 1657 he was one of the delegates to Hartford, Connecticut, for the purpose of bringing East-Hampton under that government, and for the further purpose of having goodwife Garlick tried on charges of witchcraft. Her acquital was presumably by consent of the delegates, and probably not really objectionable to their fellow townsmen.

JOHN HAND 1 is understood to have died on or about Jan. 24, 1660. His wid. Alice afterward m. Capt. Codnor. The inventory of his estate included 1 great Bible, 2 small Bibles, 1 Psalm book, 1 fowling piece, 1 carbine, 1 pistol and 2 swords. His ch. appear to have been John 2, Stephen 2, Joseph 2, Shamgar 2, Benjamin 2, Thomas 2, James 2 and Mary 2. Mary 2 m. Hand of Detroit, was at one time Judge of the Supreme Court of Mich. Three other sons, Shamgar 2 who m. a Pierson of Southampton, Benjamin 2 who m. Elizabeth Whittier of the same place, and Thomas 2, participated in the settlement of the Cape May region of N. J. Their descendants are still found in N. J. and Penn. or through emigration from these states. Josiah 3 s. of Shamgar 2 d. in Southampton in 1739, leaving a will in which he mentioned his sons David 4, Matthew 4 and Thomas 4, and daus. Hand in 1679 and 1697. and in 1712 he granted to his s. Nathaniel 3 12 acres at Wainscott. Among his ch. appear to have been James 3, Nathaniel 3, Elias 3 and Esther 3. Elias 3 b. abt. 1700, m. 1st Esther Osborn, she d. April 25, 1727, he m. 2d Experience Miller. This new wheat bearing region had been made familiar to Capt. Barnes by his service in the French war. By reason of infirm health he

transferred the burden of his affairs to his eldest son, but was zealous in building up the church of which he was deacon. In the history of Shoreham, by Rev Thos. F, Goodhue, it is recorded of him that "he served his day and generation faithfully, and is held in grateful remembrance by those who are intimately acquainted with him." CAPT. SAMUEL 6 (eldest s. of Dea. Nathan 5) became at an early age mate of the ship, of which his brother-in-law, Capt. Clark, was master and part owner. He was largely instrumental in the change of residence of his father from E. Hampton to Shoreham. In association with Capt. Sherman (who afterward established the 1st line of steamboats on Lake Champlain,) he planned and prepared for an extensive business upon and along the Hudson river, but he abandoned these plans, at the summons of his father, and thereafter devoted himself to the care of the latter and of the Shoreham farm. When the British military and naval forces threatened the valley of Lake Champlain. during the war of 1812, he marched to Plattsburg in command of about 192 men, and his company, a battalion, is said to have included every able bodied male in the town. He married March 4, 1801, Elizabeth dau. of Rev. Richard Sill, of Granville, Washington Co., N. Y. and d. at Shoreham Sept. 13, 1845. AUGUSTUS C. 7 b. Sept. 9, 1803, m. Marcia Salome, dau. of Samuel Northrup and d. March 1878 in his 75th year. Educated under the private tutelage of Professors of Middlebury College and at the law school of Prof. Gould of Litchfield, Ct. he was admitted to the bar at the May term in 1830. He established his office at Crown Point, in Essex Co. on Lake Champlain, but. rem. to Elizabethtown the shire town of that county, on his appointment to the office of Surrogate April 15, 1831. He was elected to Congress in 1838, but shared the general defeat of his party in 1840. In 1844 he was elected to the old Senate of the State when that body (with certain Judges) constituted the Court of Final appeal. As Senator, he was chairman of the judiciary committee which, in 1847, framed the legislation requisite to adopt the administration of justice to the new constitution of 1846. Among the labors of his committee was the division of the State into 8 judicial districts, a division which has never since been disturbed. He was one of the Judges first elected to the Supreme Court, as reorganized by this constitution, and served for the term of 8 years, from 1847 to 1855, the last year of such service being as a member of the Court of Appeals. The purity, integrity and ability, and devotion to duty, which characterized his judicial career, were recognized and respected throughout the State but the sudden uprising of what was known as the "know-nothing" party, and the violence of political. feeling led to his retirement from the bench. Thereafter until his death, he continued the practice of his profession at Elizabethtown. The ch. of Judge Augustus C. 7 were Clifford 8, Samuel 8, Ellen 8, Marcia 8 and Richard 8. Ellen Salome 8 m. Matthew Hale, now of Albany, and d. Oct. 10, 1867; Marcia Augusta 8 m. Jonas C. Heartt, of Troy; and d. July 12, 1862. The three sons were all grad. from Union College, Schenectady, and all followed the profession of their father. Clifford A. 8 has been for many years and still is a member of the bar of N. Y. city; Richard Lockhart 8 succeeded to his father's office and practice at Elizabethtown, and is one of the most eminent advocates in northern New-York.

SAMUEL 8 b. at Elizabethtown May 1833, rem. to Albany where he became the junior of the law firm of Cagger, Porter & Hand. In Jan. 1865, upon the elevation of Judge Porter to the bench, he began his

career as advocate before the Court of Appeals. In the language of Chief Justice Ruger, on the occasion of his death, (as reported 102 N. Y. Reports): "he stood in the front rank of his profession and had attained high honor in both professional and judicial employments. * * His forensic efforts were always distinguished by thoroughness of preparation, perfect and expert knowledge of the case in hand, a close and comprehensive appreciation of the legal questions involved, and of the reason and philosophy of the rules bearing upon them, a logical and felicitous method of arragement and presentation. His unexpected death, occurring in the prime of life, was deeply felt by the Court, and must universally be regarded as a great loss to the public as well as to the profession which he elevated and advanced." He was reporter of the Court of Appeals from 1869 to 1872. He repeatedly declined important offices, tendered him by Govs. Tilden, Robinson and Cleveland, respectively, but in 1878 he became Judge of the Court of Appeals, by unsolicited appointment of Gov. Robinson. This appointment was welcomed as an ideal one, by the press of both parties, in all parts of the State. The hostility of Tammany Hall to the Governor and his friends was, however, so bitter, that the name of Judge Hand was withdrawn from the nominating convention of his party, and at the end of the year 1878, he left the bench and resumed his position at the bar. He was an accomplished scholar, not only in his profession but in the general field of science and literature. He died at his residence in Albany, May 1886, and was survived by his w. Lydia and two ch. Lydia 9 w. of Dr. Henry Hun, and Billings Learned 9.

I have to think that if my preliminary research on this family is accurate, then someone must have already written this book.

Most of this is unproven by primary evidence, but gleaned from a few JENNINGS trees on Worldconnect-- some citing the 1899 work of Wm. H. JENNINGS, and others citing the 1944 Lillie WHITE's book, "Jennings, Davidson and allied Families"

I've checked some of it with census records and some Saratoga Co histories.
And I have recently browsed through all the JENNINGS pensions on NARA reels M804-1412 & M804-1413.

In a nutshell, it looks like these folks would make a great study of a broad aspect of the war. Together they covered chronologically from Boston to Yorkton; Guarding their homes in Fairfield and rural NY; an expedition to Montreal; and battles of Long Island, White Plains, Trenton, Princeton, Monmouth, Fairfield, and Stony Point as both militia and regulars.

This is preliminary work, and I'd appreciate any corrections and pointers to good primary or secondary sources that conflict with what I think I know.

Zachariah JENNINGS b.1719 m. Sarah MOREHOUSE
Zachariah d.after1765, Sarah died 1767

Their Children;

1. Zachariah JENNINGS b.1745 m. Eunice RISDON
was in Capt. Najah/Benajah BENNETT's Company of Militia.[1]

2. Catherine JENNINGS b.1747 m. Samuel HENDRICKS
[anyone have anything on Mr. HENDRICKS?]

3. Abraham JENNINGS b.1750 m. Charity RISDON
Widows pension W21455 [Reel M840-1412 Frames 0722-0747]
Enlisted in Fairfield summer of 1776; in Battle at Long Island; Guard at Black Rock & Wells Tongue in CT & 'in the North River in NY. [Under Capt. SILLIMAN, & Capt BENNETT]

4. William JENNINGS b.1752[2]
If this is the right man, he enlisted in Capt. HOYT's Company, Col C. WEBBs Reg in Jul 1775. Seige of Boston, Battles of Long Island, White Plains, Trenton and Princeton.

5. Edmond JENNINGS b.1753 m. Elizabeth___
Edmond went to Saratoga Co Ny in 1775. He later enlisted in the 12th Regiment, Albany Co, NY Militia under Jacobus Van Schoonhoven & was involved in activities around his home town of Ballston, [including an attempted rescue of Captured General Gordon who was taken to Montreal] and probably was in the Battle of Saratoga with the 12th Albany Co Militia.
I have found him on a compiled roster of the 12th as a private. Some histories say he was a Capt. at some point.

6. Justus JENNINGS b. 1755[3] m.Hannah BEERS in 1781
[Justus is my wife's ancestor through his wife Mary JENNE who he m. abt1803]
Justus enlisted in Cpt. HOYT's Co, Col. WEBB's Reg in 1775. Later in a 'Capt. ODELLs' Company of "a New Jersey Regiment". He was in the Seige at Boston, the Battles of Long Island, White Plains, Trenton, Princeton, and Monmouth. His pension number on reel M804-1413 is S44.987

7. Isbon or Esbon JENNINGS b.1757/1763[4]
If this is the right one,[see note] then he was in the Battles of Stony Point & Yorktown, where he claims to have lost much of his hearing.

8. Esther JENNINGS b. 1755 m. Peter BURR
[anyone have anything on Mr. BURR]

9. Seth JENNINGS b.1761 m. Hannah ___
I have seen a couple places where Seth was said to be a RevWar soldier, but have't run across his name on any lists or rosters. There is a Seth JENNINGS of Austerlitz, Col. County, NY on the 1840 census of pensioners. It turns out that is a Seth JENNE, who had a brother Elisha from Saratoga Co support his claim when he applied for a pension in 1818.[from Austerlitz]

Again-- I invite corrections or clarifications on any of this.

Thanks,
Jim

[1] Some of the online genealogies say "Zach's card no 37073327"

[2] There is a pension for William JENNINGS who joined Capt. HOYTS Co., Col. C. WEBBs Reg in July 1775. Justus JENNINGS, of Saratoga Co, NY gives a supporting declaration to this Wm. , who is in Fairfield in 1818 & 1920. Justus does not mention a relationship.
It might be notable that Justus can write enough to sign his name fairly well, but William signs with an 'x'. Also, that the William who Justus is supporting says in a declaration made on June 14, 1820

that he is 62 years old. [b. abt1758] The Willim whose pension is on file on reel M840-1413 has pension #S36622.

[3] note-- he is *not* the Justice JENNINGS b. 1745 who lost his leg in the revWar. That Justus went from CT to southern NY about the same time this Justus went to Saratoga in northern, NY.

[4] This is another one where there is some discrepancy. Some Genealogies have him b. 1757 and others b. 1763. Though the less likely date for a RevWar soldier, Esbon is consistant throughout several years of 'declarations' giving his age as compatible with a 1763 birth year. There may have been 2 Isbon/Esbons in Fairfield. Reel M804-1412 has a pensioner #S41695 who was born in CT, Pvt in Stratford, CT in Capt Josiah Lacy, Col Philip Bradley's Reg and in Capt Timothy Taylor's Company in Col. Heman SWIFT's Regiment;- served Nov 1779- Jun 1783. There is an 'Isbon' in Saratoga in 1790 & 1800. Not in 1810, 20 or 30.
Esbon JENNINGS applied in 1818 from Nunda, Allegany Co [now Livingston Co] then in 1820 from Scipio, Cayuga Co, NY. In 1833 he had moved to Hinckley, Medina Ohio, where he died after the census in 1850.

How about some 'dis-proof'? I got a reply from Clifton Jennings, and I've got to go up to Saratoga again and pull the property transfer from Justus Jennings to son William.

Clifton's notes shed doubt that your Chloe [and my Rhoda] were Justus' children. [Clifton is a 6th cousin through Zachariah b.1745 . . . Clifton/Clifton/Roscoe/Richard/Heman/Israel/Zachariah and he was surprised he had this much on Justus]

From his notes;
To the Surrogate of Saratoga County
The petition of William H. Jennings of the Town of Ballston
in the Count of Saratoga and State of New York represents that Justus
Jennings died on or about the 19th day of April 1844.
That at the time........
That he died intestate........
That there is now no widow of the deceased living.
That said deceased left nine children to wit:
William H Jennings who now lives in Ballston.......
Hiram H Jennings, Reuben J Jennings, Drusilla Wood, Eunice Talmage who
reside in the Town of Milton ...., Hanna Waite who resides in the
Town of Malta ...., Polly Scudlle now residing in the town of
Brighton in ...., Justus Jennings now residing in the County of
Tioga......
David Jennings now residing in the County of Union in the State of Ohio.
That the above named children are all of the next kin to the esta- of
the said deceased and ....
Dated February 19th 1850
William H Jennings

This leaves off these children that I had [some who may have died]

by Hannah Beers;
Chloe b.1785
Susan b.1787
Nathaniel b.1789
Sally b. abt1802

By Mary Jenne;
Seth b.1804
Rhoda b.1805
Susan b.1806

And it brings back to life Reuben J, who I've seen given as dying in 1835! [I've also seen a Reuben who died in 1850, buried Wiswall cem, Saratoga-- but the transcription I've seen says he is only 8yrs old. I haven't made the trip yet to see it for myself.]

You got me hooked with Justus' RevWar pension file, so I ordered the films and browsed through all of the JENNINGS.

I found these other JENNINGS soldiers in western NY in the early 1800's;
Abner Jennings MA to Batavia, Genesee Co-- then to Erie Co
Esbon Jennings Fairfield to Nunda, Allegany Co, NY by 1818-- then to Scipio, Cayuga Co by 1820- then Ohio in 1833
Joseph JENNINGS MA to Whitestown, Onieda Co, NY by1818 [New Hartford History says he arrived 1788]
Noah Jennings S23727 Fairfield to Covert, Seneca Co 1813
William JENNINGS- served NJ - was in Orleans Co by 1832

These are just the pensioners--

Then back to your question on Ms Briaddy. She has been the Ballston Town historian for 20-30 yrs. I'm rereading 2 of her books to see what she says about the Jennings. ['Ye Olde Days' & 'Shadows' -- a biography of Rev. Ball, but it has a lot of town history in it.] Once I'm refreshed on the Ballston History, I'll give her another call & see if she has more on the JENNINGS. [last time I called, I said 'my wife is a descendant of Zachariah', and she laughed and said 'Isn't everyone?']

The other papers-- the Nellie JENNINGS references-- are in the family files at Brookside Museum. Nellie was a long time genealogist & died in 1990. [also from Israel's line] There aren't many primary sources noted in her notes there-- but I think a local JENNINGS family has the bulk of them.

I have another month or two of youth hockey season to survive then I'll make some more trips to Saratoga to look at the land records & see what else I can dig up.

Suzanne,
If this is the right Hannah then you have joined a very large family. I am a descendant of the Patterson-Moorehouse family that Zachary jennings married. he married Sarah Moorehouse,June 1743 in Fairfield,CT.
You will find a Hannah Jennings born abt 1793 in Sarartoga,NY. If this rings a bell please let me know and I will be glad to connect you with more on her ancestors and their families. Here is 3 generations of her family if it helps.

Nehemiah Hand Born New Jersey

Posted by: Janice **Date:** March 30, 2000 at 16:35:12

I am trying to find out when and where Nehemiah Hand died.
His birthdate is: Nov. 7, 1817 in New Providence, New Jersey.
He married Mary Marsh on Oct. 10, 1837 in the Westfield Presbyterian Church, New Jersey.
I only know of one of their children Charles
I do know he was a carpenter. They moved to Manhattan, NY from 1853- 1859 after that I don't know where they went.
Does this sound familiar? If it does please let me know.
Thanks Janice

Hello All,

After a very long absence from genealogy and VanDolah research in particular, due to health problems, I am "back in business" and hope this finds you well and still solving your genealogical mysteries. I am happy to report a major find that should be of interest to you all.

I have located the burial place and tombstone for the elusive Mary Hand, who married 1st Joseph VanDolah (abt 1803), 2nd William Whicker (1819) , and 3rd Samuel Fought (1841). As some of you will remember, Mary was last seen on the 1850 census with husband Samuel Fought, in Perry Township, Allen County Indiana. Apparently, sometime after 1850 she moved to Muscatine County Iowa, where her youngest VanDolah son (Benjamin Henry) lived. Mary died on December 8, 1856 in Muscatine County, probably in Sweetland Township, and is buried in the Krell/Saltmarsh Cemetery there. The tombstone lists her as the wife of Samuel Fought, age as 68 yrs 4 mos. A strict calculation would render a birth date of 8 Aug 1788. In an adjacent plot is Mary VanDolah, age 12, who died 10 May 1856. She was the eldest daughter of Benjamin Henry VanDolah, and the granddaughter of Mary Hand VanDolah Whicker Fought. (Benjamin later located across the Mississippi River south, near Illinois City, Illinois and is buried there).

I hope you will be as excited with this information as I am. I'll look forward to hearing from you soon!

Best Regards,
Chris Hankins

> James Vandolah, one of the worthy pioneers of Allen county, came to Indiana in 1832, on a tour of inspection, looking for a situation for a water-mill. This he found in Perry township, and then returned to Ohio. In 1835 he came again, and remained long enough to dig the race for his mill. In the fall of 1836, he emigrated with his family, and settled on the farm where Benjamin Vandolah now lives. He entered about 400 acres of wild land in Eel River township, 520 in Perry township, and 160 acres in DeKalb county. He was a mill-wright, and devoted much time to his trade, having worked in several mills throughout the country. He built the Shryock mill, at Leo; the Dawson mill, at Spencerville; the grist-mill, near Clarksville; his own mill, and a number of others. About 1830 he was united in marriage with Rebecca Tucker. Of their eight children, five are now living: Benjamin, Thomas, Sarah J., Frances, and James. Mr. Vandolah served as one of the trustees of his township several terms. He was a leading citizen, and was highly respected by all who knew him. His eldest son, Benjamin Vandolah, was born in Green county, Ohio, April 14, 1834; he was brought to Indiana when three years of age, and on the farm where he now lives he grew to manhood. On October 4, 1888, he was married to Catharine Aaron, daughter of Michael and Elizabeth (Pierce) Aaron. She is a member of the Lutheran church. He is a prosperous farmer, possessing 180 acres of fine land in Perry township, with substantial buildings. Mr. Vandolah has in in possession a very curious Indian relic, which he unearthed about twelve years ago. Thomas Vandolah, the second son, was born in Green county, August 31, 1836. His life in Allen county began in the same year. He received such education as could be obtained in the pioneer log school-house. In 1871 he was united in marriage with Elizabeth Vandolah, daughter of Joseph and Drusilla (Nickerson) Vandolah. She was born in 1842. Though never seeking office,he has always taken an interest in politics, being one of the leading democrats of his township. He owns 285 acres of good farming land, and is as prominent socially as he is as a land-owner.

Ft. Wayne Journal-Gazette: (published 8 February 1970):
Grist of Cedar Creek - Family Settled Around A Busy Mill and Stayed (article by Forest J. M'Comb). When Allen County was opened up for settlement, James Vandolah came from Green County, Ohio. The year was 1832. He found what he wanted in northeast Perry township and purchased 520 acres direct from the government. The land lay on both sides of Cedar Creek, and 100 acres of it straddled the creek bottom connecting the high land on both sides. The price was $1.25 per acre. The officials with whom James dealt were amazed. "Why- Mr. Vandolah, with such a good choice of available land do you take so much wild creek bottom?" "I'm a millwright" he answered, "and I want the water rights!" James Vandolah went back to Green County. Three years later he returned and dug the mill race. The following year, 1836, he brought his family to stay. James chose well, building a house for the family on the south rim, and the mill down close to the creek. The creek curved south on his land and he had cut the mill race across the inside of the curve, and located the mill against the bluff of hill on the west side of the creek and south of what later became the Auburn Road. James Vandolah was a genius at his trade and the mill was expertly engineered. The mill burr, made from French stone, was adjustable for fine and coarse grinding, and everything in the mill worked beautifully. [. . .] James Vandolah must have employed a miller to operate the mill, for he continued to work at his trade. He built the Skyrock Mill at Leo, the Dawson Mill at Spencerville, a mill near Clarksville, and a number of others. But he became sick and died at the comparatively early age of 44. With the settling of James' estate, the mill became the property of the Gloyd family. Jerome Gloyd lived for a time in the Vandolah house that still stands on the south rim of the canyon and where the Auburn Road starts to wind down into the creek valley past the old mill site. The mill was in the Gloyd family for about 44 years, and became known as "Gloyd's Mill." [. . .] The mill drew customers from quite a distance, the Vandolahs being related to the Tucker family in Eel River township, and twice a year the Tucker, Hand, and Anderson families loaded a wagon with grain, men, women, and children and drove the ten miles to the mill. While the grist was being ground, they'd stable and feed the horses in Vandolah's barn, then stay for dinner and a visit. When back home, the flour stored carefully, would make their supply of bread for the next six months. Money was scarce and hard to come by in those days. The way the mill operated, if folks didn't have cash to pay for the grinding the miller took one eighth of the grain. It was called "paying toll." [. . .] What of the Vandolah family? Some of James' descendants are still on land he took up from the government - to the third, fourth, fifth and sixth generation. This is a rarity, for few descendants are still on land their forefathers pioneered. They have taken up another occupation and moved elsewhere, or perhaps moved to different land, and in many cases the Grim Reaper has taken a toll. James Vandolah had three sons and four daughters. The daughters moved away but the sons stayed. There were 420 acres left after the 100 acres of mill property were deducted, and the three sons became prominent and well-to-do farmers. James the youngest, never married. Thomas, married but had no children. Benjamin, the eldest, married and raised two daughters. Elizabeth was born in 1889, and Frances a year later. They've lived their entire life on Vandolah land. Lizzie (Mrs. Charles Stellhorn) is a widow and has a son, Byron, with her. They live on the northeast side of Cedar Creek and represent the branch of the third and fourth generations of James Vandolah. Frances (Fannie) and husband Harrison Bailey live south of Cedar Creek across from the old homestead of her father, Ben, which is just a good stone's throw from the mill residence. Her daughter, Doris (4th generation) and husband, Joe Schlatter, live north of Cedar Creek on the Auburn Road and have four sons.

One of the sons, Ronald (5th generation) is married and has a house on the property, and at this writing, he has an infant son, Bryan, representing the sixth generation on the land. The pioneer movements of James Vandolah in 1832 have been far reaching, indeed! Arthur Bleekman and the Vandolahs, later the Baileys and Stellhorns, have been neighbors 73 years. Art was a much younger man than Ben Vandolah, when Ben was living, but they had a thing in common - they both loved hunting. Ben, usually a man of few words, would loosen up and talk hunting. He once told about wounding a deer on his farm and how he followed the animal five miles, almost to Leo, before it weakened enough for him to catch up and get it. He and Art were in the woods one day, back of Ben's house and Ben stopped. Another story was coming. "I want to tell you, Art, of an experience I had. I shot a buck deer right about here, and he dropped. Thinking I had 'im, I carelessly leaned my gun against a tree and went up to bleed 'im. I was within a few feet of the deer and he jumped to his feet. When a deer gets mad his hair bristles and turns forward. Every hair on this deer was pointed toward me and his eyes had turned green. I was in a bad position with my gun over against the tree, for I knew he'd attack me. We looked at each other a few seconds, and I was wondering how to keep from being cut to pieces by his hooves, when another shot rang out and the deer dropped a second time. I looked around, and my brother, Tom, had come up and saw my predicament. [A confirmed tobacco chewer, Ben spat toward a tree]. Twas the best darned shot Tom ever made!"
